## CONTINUED TRAINING

**The Alliance française of Normandy offers training courses in French as a foreign-language for expatriate employees: private courses, small group courses, à la carte courses, and online courses.**

Face-to-face courses can take place at the company or at the Alliance Française of Normandy (Rouen, Le Havre, Cherbourg) from 8am to 8pm, Monday through Saturday included.

For each quote request, an audit and language assessment is carried out by specialised teachers in order to propose the training best suited to the constraints, needs and specific objectives of the employees and the company.

These training courses, certified by Qualiopi, are eligible for the CPF (Compte Personnel de Formation). They can also be validated by a Diplome de Français Professionnel (DFP). This diploma, created by the Chambre de Commerce et d'Industrie de Paris attests the employee's language skills according to their specific sector of activity: Business, International Relations, Tourism-Hotel-Restaurant and Health. The Alliance Française of Normandy is authorized by the CCIP to organize these exams.

**For any request, please contact the Alliance Française on 02 35 98 55 99 or by email: [contact@afnormandie.org](mailto:contact@afnormandie.org)**

**All our courses are aligned with the levels of the Common European Framework of Reference for Languages (CEFR) in order to ensure your continuous progress and to acquire an internationally recognised level of learning.**
